Dear Ms. Hampton,

Thank you for your call today. As we discussed, I received the letter, complaint, and DOC yesterday, **February 19, 2015**. As I understand from your information, the 15 days' deadline would fall on March 6, 2015. I am respectfully requesting a 30-day extension to April 5, 2015. As I mentioned, we are dealing with severe snow situations here north of Boston, and I will greatly appreciate the extension.

Finally, the sentence of the Complainant to which I was referring that implies the FEC gave advice to the Complainant is in paragraph four, "Complainant states, avers and swears, based on information received...by telephone communication from the Federal Election Commission that respondent is in violation of the law...." Thank you for clarifying that the FEC does not give advice to Complainants.

Thank you again, and I look forward to your response regarding the extension.

Sincerely,

Marisa A. DeFranco
